

Sunshine Foundation and the Dream Village

Sunshine Foundation, founded in 1976 by former Philadelphia police officer Bill Sample, is the original wish-granting organization, having granted the dreams of over 31,000 seriously ill, physically challenged and abused children. Because the number one wish requested by the children is to visit the Central Florida attractions, Sunshine created the Dream Village. This 22-acre enchanted village offers amenities and activities that help families escape the stresses of doctor's visits and hospitals.

The village offers 9 unique cottages - each decorated in a magical theme, nestled in a fairy tale setting. Recreational facilities include an Olympic-sized swimming pool, playground, and miniature golf course, all specially designed to be accessible for wheelchairs and other special needs.
