SEE WHAT A DREAM CAN DO.

Red ★ White ★ Blue BINGO Dinner

Dear Sunshine Friends,

On Tuesday, October 20, 2015, we will sponsor our Annual Bingo Dinner.

This year we will honor the Red, White and Blue, the Special Veterans that have served and are serving our Country. Many of our members have had family members who have and are currently in the service.

We know that we have the freedom to do what we do for our Special Kids because of what they do for us and our Country.

We would like you to come out, have a fun night, support our terminally ill, chronically ill, physically challenged and abused children and honor our Veterans also.

We will have a Wall of Honor. Please feel free to bring a picture of your Special Veteran; if possible put their name and when they served. You could give them to us ahead of time and then take them home the night of the Bingo.

We are in need of prizes for our special event. If you could help us, please fill out the next page or give us a call. Hope to see you.

Thank you in advance.
