Dear Sunshine Foundation Friend:

Now more than ever, we’re so grateful for the community that has funded, volunteered, celebrated, and advocated for the Sunshine Foundation through the years. At a time when everything feels uncertain, we find comfort and encouragement knowing that you care about our cause.

While it was a difficult decision, our team decided to change our 11th Annual Dream Village Gala from an in person gathering to a virtual event because we care about the safety of our families and supporters. Although we won’t be gathering in person, Sunshine Foundation will host a virtual Gala on Saturday, October 10, 2020. While much of the world has stopped, our mission of answering dreams of chronically ill, physically challenged and abused children will not be placed on pause.

A large part of our success is due to the support of local businesses. As we adapt to ever-changing circumstances due to COVID-19, we hope that you will assist this year by joining our virtual event and/or donating an easily emailed gift certificate. Your company will be recognized in materials related to the event. This year’s Gala will be celebrating the 30th Anniversary of the Sunshine Foundation Dream Village! Our “Decades: 60s, 70s and 80s” theme will feature exciting live & silent auction items and entertainment! Offering a way that you can support our goal of raising funds from wherever you are.

We believe that with your help, we can lessen the impact of coronavirus on our mission. Sunshine Foundation’s sole purpose is to answer the dreams of chronically ill, physically challenged and abused children ages three to eighteen, whose families cannot fulfill their requests due to the financial strain that the child’s illness may cause. We serve the children with life-long, chronic conditions from income-limited families that are turned away from other wish granting organizations that require a life-threatening or terminal diagnosis.

With your donation we believe that you will experience the personal fulfillment of knowing that you assisted in making a child’s most heartfelt dream come true.

Jennifer- mom shares: “Bo loved being the center of attention and spending time as a family. He enjoyed skipping therapies and doctor appointments to have fun! His favorite things were swimming and the Space Cottage.” – Bogdan, age 8, Cerebral Palsy

We hope we can count on your support for our 2020 Virtual Gala, benefiting the Sunshine Foundation Dream Village this year and help bring a little “Sunshine” into young lives that are clouded by the burden of illness.
