About Sunshine Foundation

Sunshine Foundation, established in 1976, is the original wish-granting organization that answers dreams of children with life-long chronic illnesses, physical challenges and those suffering from the trauma of abuse from income-limited families. Sunshine Foundation is the only national wish-granting organization that does not require a life-threatening or critical diagnosis in order to receive a dream or wish.

Sunshine Foundation answers dreams of children from all 50 states and from Puerto Rico. Dreams include: meeting a celebrity, shopping sprees, iPads and computers, special trips or cruises, but the most common Dream is to visit the Central Florida theme parks and stay at the Sunshine Foundation Dream Village.

Sunshine Foundation Dream Village, opened in 1990, is a fairy-tale resort on 22 acres near Disney World with themed cottages, accessible pool, playground and miniature golf course. The children and their immediate families stay here while on their Dream Come True trips to Central Florida.

The average cost of each Dream is $6000. *Due to cost increases, Adopt A Dream will be $6000 starting July 1, 2020.
