**January-March 2020**

**Central Michigan University** students gave up their typical spring break to do an alternative spring break by volunteering at the **Sunshine Foundation Dream Village**. They worked hard on repainting our entrance wall and were able to work on getting a tan while they were at it. Thank you so much for all of your hard work and for trading your spring break to volunteer with us!

**Neveah’s Dream Came True!** The generous staff at **Glory Days Grill** shared the news with **Neveah**, 10 from Beltsville, MD who has Spina Bifida, that she and her family were going to **Walt Disney World**. **Neveah** had tears of joy to learn she would fly with her family to Florida and stay at the **Sunshine Foundation Dream Village**.

Thank you to **Glory Days Grill** for sponsoring **Neveah’s Dream** and to our **Sunshine Foundation All-Volunteer Chapter Miss Sunshine Foundation Charity Pageant Queens** for helping to welcome Neveah and her family.

The generosity from **Glory Days Grill** makes it possible for **Sunshine Foundation** to make Neveah and other children’s **Dreams Come True!**

**Mission Statement** - Sunshine Foundation’s sole purpose is to answer the dreams of chronically ill, seriously ill, physically challenged and abused children ages three to eighteen, whose families cannot fulfill their requests due to financial strain that the child’s illness may cause.
Mitchel, 11, from Heath, OH diagnosed with CP & Epilepsy. "We will never be able to thank the Sunshine Foundation enough for everything! We felt like we were dreaming all week. It was so nice to be able to relax and enjoy all the theme parks. So many memories were made here that we will never forget!"
Echo- Mom
Thank you to a DSF Grant for sponsoring Mitchel’s Dream.

Lourdes, 17, from Santa Monica, CA diagnosed with Spina Bifida, is with her mom, sister and cousin for her Dream Come True at the Sunshine Foundation Dream Village and the Florida theme parks.

Thank you to Glory Days Grill and Patricia for sponsoring Lourdes' dream come true. We hope you had the time of your life, Lourdes!!

Lexi, 9, from Monroe, NC diagnosed with Cerebral Palsy, recently finished her Dream Come True trip to the Sunshine Foundation Dream Village and visit to the Florida theme parks.

“She’s so happy and felt ‘normal’—especially at Disney where they were so accommodating and let her on every ride. We will have amazing memories forever! It was so great to do something as a family.”
—Samantha- Mom

Thank you to a DSF Grant for sponsoring Lexi’s dream, and to Legoland Florida, Merlin’s Magic Wand USA, SeaWorld Orlando, and the Walt Disney World theme parks for your support.
The M&M's (Mature Methodists) group from Beymer Church in Winter Haven joined us for a tour of our Sunshine Foundation Dream Village to see who we are and how we grant dreams for the children. Thank you for coming out and taking an interest in our mission.

Davenport School of The Arts joined us at the Sunshine Foundation Dream Village to assist in taking down all of our Christmas decorations. Thank you so much for all of your help and for allowing us to share our mission with more people in the community.

Tiffany, 10, diagnosed with Eosinophilic Esophagitis, and her family, had an amazing time on their recent trip to the Sunshine Foundation Dream Village in Florida. "Tiffany loved the space-themed cottage, especially her bed and bedroom. She also enjoyed time outside searching for lizards." Shanai - Mom
Thank you to a DSF Grant for sponsoring Tiffany's dream.

Grateful to McHales Inc. from Levittown, PA and the Sunshine Foundation supporters who nominated us for this generosity. If you are looking to remodel your kitchen and/or bath, please consider this compassionate family-owned business where Tim is third generation owner. So nice to meet Tim and Jenny and appreciate McHales generosity.

Bryauna, 19, from Spring Hill, FL diagnosed with Charge Syndrome, was delighted to be staying at the Sunshine Foundation Dream Village for her Dream Come True. She really enjoyed staying in the Dream Village Enchanted Forest Cottage. She visited all the Florida theme parks while on her trip here with her family.
Thank you to the Richard M. Schultz Family Foundation for making Bryauna's Dream Come True!
Isaac, 10, from Claremore, OK diagnosed with Down Syndrome, just finished up his visit with the Sunshine Foundation Dream Village.

"Isaac was just able to have a great time. He was able to be free and to do things that other kids can do without any disability or limitation." Armando - Dad

Thank you to the DSF Foundation for sponsoring Isaac's Dream.

Logan, 12, diagnosed with Type 1 Diabetes, just finished his dream come true through the Sunshine Foundation.

"Thank you so much for Logan’s dream. He was so happy. Haven’t seen that smile in a long time. Forever grateful!" Mom—Melissa

The Sunshine Foundation thanks The Richard M. Schulze Family Foundation for making Logan’s Dream Come True!

Brianna, 17, with Down Syndrome. "One of Brianna’s favorite attractions was the Avatar ride! She said, ‘Mom, I fly!!’ So proud of Brianna’s efforts to step outside her comfort zone. She doesn’t like loud noises, but she took them on so she could experience the rides and other events. Day 2 was the hardest day for her with painful joints, but again she chose to press on. She didn’t want to miss anything. What great memories she’ll always have.” Cynthia - Mom. Thank you to Kathy Davis Studios Inc and private donors that helped to make Brianna’s Dream Come True. Thank you to, LEGOLAND FL, Merlin’s Magic Wand USA, Univ Studios Florida and Walt Disney World for your continued support.

Zebadiah, 9, from E. Hardwick, VT diagnosed with Hydrocephalus and Megalencephaly, just finished his dream come true trip to Florida.

"This experience gave my family a chance to have fun together at the theme parks. This was an opportunity that we could never have dreamed of doing on our own. I think that we may not see the full effect for years to come. I am sure it will be a part of his positive memories." Ernest - Dad

Thank you to 2019 Dream Village Gala Sponsors for making his Dream Come True.
**Manning**

Manning, 24, from Leeds, AL who has Type 1 Diabetes and Autism, is excited to be in central Florida and to have his dream granted to go to the Sunshine Foundation Dream Village with his Mom and brother. He is looking forward to having his first vacation. Thank you to the Stan & Beth Family Fund for sponsoring Manning’s Dream.

**Mariah**

Mariah, 16, from Manchester, NH diagnosed with Trauma and Severe Pervasive Development Disorder, went on her Sunshine Foundation Special Dream “Disney Cruise” with her family. “This trip has been a great adventure for all of us and so many milestones for Mariah! Watching her pure joy as she danced on deck in the rain during pirate night was amazing!” Thank you from the Phillips family!

Thanks to the 2019 DSF Grant.

**Connor**

Connor, 11, from Warren, MI diagnosed with Truncus Arteriosus, was very excited to go to the Sunshine Foundation Dream Village and theme parks in Florida for his dream come true. “The best part of Connor’s dream was the day spent at SeaWorld. He was so happy the whole time and was dancing as we were all leaving the park. The whole vacation and experience were incredible.” Ashley- Mom

Connor was sponsored by Alan from our adopt a dream website.

**Mia**

Mia, 10, from Zionville, IN with Low Functioning Autism, enjoyed her stay at the Sunshine Foundation Dream Village. “Mia was able to feel like she was normal and did all the things she has never been able to do. This made her feel emotionally stronger. When she feels stronger, her health improves because of a positive outlook. This trip was so awesome to be able to experience through Mia’s eyes and for us to make everlasting memories.” Terra- Mom

Thank you to Matthews Children’s Foundation 2018 Grant, Kathy Davis Studios and Joseph & Kim for helping make Mia’s Dream Come True!

Matthew, 14, from Whittier, CA diagnosed with Mobius Syndrome, had an amazing time at the Sunshine Foundation Dream Village with his family, visiting the Florida Theme Parks.

“It has allowed him to come out of his shell. He wasn’t self-conscious around people. He was looking forward to going places, instead of not wanting to leave the house. He was excited every day. I have never seen him happier and more outgoing.”

Arlene - Mom

Thank you to DSF Foundation for sponsoring his Dream Come True.
