Addie's Royal Cupcake Stand delivers hundreds of cupcakes with the help of 'royal helpers'

Princesses and pageant queens took to the streets to spread cheer with cupcakes.
Written By: Jenna Webster, Apr 20th 2020 - 5pm.

Addie Loerzel from Addie's Royal Cupcake Stand, her mother and numerous volunteers delivered about 800 cupcakes to schools and homes on Monday.

Even WDAY News' Amy Unrau partook in the festivities dressed as Queen Elsa, the main character from Disney's popular movie "Frozen". She and her fellow royalty surprised kids with Oreo and vanilla-flavored cupcakes on April 20, 2020.

Addie says they decided to make the deliveries out of boredom while having to stay inside during the COVID-19 pandemic. Her mother adds that the pair thought if they were bored, there were probably others feeling similar that they could help cheer up.

The cupcakes they delivered were free; but, many families made donations to Addie's favorite charity, the Sunshine Foundation. The charity's goal is to answer the dreams of the chronically or seriously ill as well as children who are physically challenged or abused.

The Sunshine Foundation is so grateful to Addie's Royal Cupcake Stand for helping spread sunshine throughout the land! Happy #Nationalvolunteerweek!

The Princesses wave hello to families outside their homes, staying safe!
Taylor Stuart is one of our reigning Miss Sunshine Foundation Charity Pageant Queens and in preparation for her upcoming National American Miss Florida Pageant, she created a service project she calls “Sunshine Packs.” These are activity packs full of different games, activities, toys or items in general, to add a little joy and fun during this crazy time. Taylor is extremely passionate about the Sunshine Foundation charity and helping spread sunshine to children. She is sending the packages to some of the past and even future dreamers who might have had their trips postponed. Taylor worked with her father to create her own “Sunshine Activity Book” with games, coloring pages and even madlibs, all themed to the Sunshine Foundation, the Dream Village and Florida in general. This weekend the NAM National Princess, Brielle, joined her to help put the packages together, write a little note to each person and to ship them out! We hope the kids enjoy the packs as much as she enjoyed making them! Thank you, Taylor and Brielle for spreading Sunshine!!!

We all love to get packages in the mail, Thank You Taylor Stuart for spreading Sunshine by making Activity Kits and sending to our dreamers. Here are a few of the dreamers opening their surprise packages.
The most requested dream for the Sunshine Foundation is to go to Central Florida and visit the theme parks. Today we would like to thank **Merlin's Magic Wand USA** and **LEGOLAND Florida** for their support with our families. We always hear such amazing things from the families about how your staff and employees treated them so well. Thank you for all you do!

The Sunshine Foundation and the Sunshine Foundation Dream Village are grateful to **LEGOLAND Florida**, and Merlin’s Magic Wand USA for all you do to help make kids Dreams Come True!

In honor of Earth Day and National Volunteer week we would like to acknowledge several groups that helped us with our outdoor projects during volunteer week.

A special thank you to **Camden World Gateway Apartments** and **Buffington’s Experienced Landscaping** for their generous donation of trees and planting on a very hot Florida day. Thank you **Ludlow Services**, for the irrigation work. We can’t wait to see the trees grow and provide more privacy for our visiting dreamers and families.

On Tuesday, April 3, 2019 we had an amazing group of fantastic volunteers from **Publix**! Seventy people, from nine different stores in the area took time during their day off to put in brand new mulch, pressure wash, plant flowers, paint, and so much more. We wanted to take time to thank these incredible volunteers for all they did!

**Wyndham Destinations** is another of our loyal and avid supporters. We are so grateful to have such a fabulous partnership with Wyndham. They come out several times a year to deep clean our cottages, pressure wash, tidy up our grounds at the Dream Village and donate much needed supplies. They also did an update on our putt-putt course. Thank you to **Wyndham Destinations**, **Club Wyndham Bonnet Creek**, **Club Wyndham Cypress Palms** for your support through the years.

Central Bucks HS-South Class President, Can, and fellow student Eric presented Sunshine Foundation with a generous gift from the Class of 2020 graduating seniors. What a special surprise that will help us provide Matthew, age 7 with Low Functioning Autism, his dream of going to the Central Florida theme parks.

This dream is something Matthew’s mother stated “we have tried to do yet cannot afford.”

Thank you to the student body and graduating class of CB South for spreading sunshine and our gratitude to Can for inspiring this generosity!

It was in May of 2019 that we showcased the 1st Annual Sunshine Foundation Poker Run!! The Sunshine Foundation Dream Village was the final stop along the route that included four local businesses around Polk County Florida! Thank you Ms. Shelby, and everyone that participated for putting on a fantastic event!! We can’t wait for the next Sunshine Foundation Poker Run!! Thank you to all of the individuals and companies that helped out as well as those that donated. We look forward to our next Poker Run event! Check back next May 2021!

Eighth-grader Addie, is one of two teens named top youth volunteers of 2020 by The Prudential Spirit of Community Awards.

Addie is being recognized for her Addie’s Royal Cupcake Stand, which she’s hosted every year since 2013. She sells thousands of cupcakes each year to raise money for the Sunshine Foundation. All of the proceeds are used to grant wishes for kids dealing with chronic or serious illnesses, disabilities or the effects of abuse. Addie says, “I think it’s cool that I get to receive the award at school. I think, teachers will be proud of me. They’ll go and say, ‘Congratulations, Addie!’”

As state honoree, Addie is getting 1,000 dollars, a medallion, and a trip to Washington, D.C. in May.

We are very grateful to Addie for choosing to support the Sunshine Foundation!

Jaxson was recently granted a dream for a “sensory room” by the Sunshine Foundation. Jaxson has numerous diagnoses, but the most significant are Down Syndrome, Cerebral Palsy, and Chronic Lung Disease. Jaxson’s mom, Carrie, personally expressed her thanks: “Jaxson loves his new sensory equipment. I think what he loves most is his bubble tower. We have it secured in a platform so he can sit up close and enjoy it without knocking it over. Jaxson craves stimulation; these items give him sensory input so he can enjoy his day with less self-harm.”

With the support of funds received from an anonymous donor, Sunshine Foundation was able to answer Jaxson’s “Dream Come True”!

Jonah, age 9, has Low Functioning Autism. “Jonah and my family are extremely grateful and very happy for such a wonderful mission that the Sunshine Foundation has. These gifts (special needs stroller and booster seat) we received, fill our hearts with happiness to see Jonah’s excitement. It was impossible for us to buy these gifts. Thank you very much! God bless you.”

Jonah’s Mom
Gabriella (Gabby) diagnosed with severe PTSD, received her dream for funds towards a car. “Thank you so much for helping me achieve this goal of getting a car in my name. I appreciate you providing me with a down payment for my car!” Gabby

The Sunshine Foundation thanks the All-Volunteer Cape Atlantic Chapter’s 2019 golf tournament for helping make Gabby’s Dream Come True!

Matthew, age 14 diagnosed with Spina Bifida, received his Dream Come True. Matthew’s dream was a new wheelchair accessibility ramp.

“Simply the best thing about the dream is to have Matthew’s ramp clean, and smooth and in great condition. This will last for a long time and it’s great to be able to pull right up to his ramp and put him in his handicap accessible van and go anywhere we want!” Matthew’s Mom

Charles has Coccid Mycosis Meningitis. He just received his dream for funds toward a laptop and soundbar. “I am really excited about my new home theater and soundbar. I’ve always wanted to have a theater system in my own home that makes the house sound like you’re at a theater, and this soundbar does just that for me. Now for the MacBook Air, I’ll be using that for business purposes in the future. I will be starting a YouTube channel and editing and uploading videos with it onto my channel!” Charles

Thank you Sunshine Foundation and sponsors David, Clair, and Blaine

Stan and his wife from the Corvette Club of Delaware Valley visited the Sunshine Foundation Dream Village in March for a tour. We are so thankful for all that the Corvette Club of Delaware Valley does to support the Sunshine Foundation and our dreamers.
Great Job KK!

“With all the negatives going on right now, here is a positive... KK learned how to sew! She took right to it and it kept her focus. I’m super proud if her!” Brooke’s mom.

KK is one of our 2018 Miss Sunshine Foundation 4-12 Talent Queens. Kaydence Kramer is part of the Sunshine Foundation’s All Volunteer Central Florida Chapter Miss Sunshine Foundation Charity Pageant. Keep spreading sunshine KK!!!
