Mission Statement - Sunshine Foundation answers the dreams of children, ages three through eighteen, who have severe or profound physical/developmental/intellectual challenges or trauma from physical/sexual abuse, and whose families cannot fulfill their requests due to financial strain that the child’s illness may cause.

The Patrick Smith and Dana Balint Smith Family continued their generous tradition hosting the 8th Annual Tricky Tray For The Sunshine Foundation to make another child’s dream come true.

This year’s event raised money for Lee, a beautiful boy who lives in a foster home and has many challenges, who will get to meet Mickey Mouse at Walt Disney World!! We are grateful to everyone who worked and participated!

Here are the photos of all the children Patrick and his family have sponsored throughout the years.

Levi

Levi, age 13, diagnosed with severe PTSD/Trauma, enjoyed his trip to Tennessee!

“Due to the Coronavirus we were unable to make it to Arkansas to dig for diamonds, but decided to go to Tennessee for a week! **Levi had a very good time and wants to return sometime soon!** Due to the virus we were limited to do a lot of things but what we were able to do, he enjoyed very much! Especially going on his very first ride at The Island at Pigeon Forge. **Levi made that one ride before it rained, and loved it!**” - Holly, Grandmom

Sponsored by funds from 2018 Waste Gas Fabricating donation.
Despite a global pandemic, Addie’s Royal Cupcake Stand sent a check for $8,252.80 from both spring and summer events to the Sunshine Foundation to grant Alaya’s dream come true!

This total is amazing and doesn’t surprise us one bit. With all that’s going on in our world, our community continues to pull together to make great things happen!

“Here is a beautiful picture of the 10 kids we have helped since 2013! And by “we”, we mean our amazing volunteers, sponsors, and community!”

Alaya, age 5, diagnosed with spina bifida is so grateful to Addie’s Royal Cupcake Stand for helping make her Dream Come True! Alaya loves to color, play outside and swim. She is looking forward to going to the Sunshine Foundation Dream Village and all the Florida theme parks.

“Thank you all! Let’s do it again (hopefully back to our traditional stand) on August 10, 2021!”
- Addie

Rylan, age 13, diagnosed with low-functioning autism, his dream was to go to Florida’s theme parks, but due to the Covid-19 pandemic he changed his dream to a family camping trip, thanks to sponsor 2019 Tricky Tray.

“Rylan experienced many firsts this summer on his camping trip to our favorite lake, Lake Wateree, SC. First friends, first tube ride, first time driving a golf cart! The acceptance and support we felt at the campground were unexpected for sure. He was showered with attention from everyone. It truly is like nothing we’ve experienced before - two days amongst strangers and the outpouring of love and acceptance was a sight to behold!! He’s probably been on 20 different golf carts this summer and toured 20 campers, which he is obsessed with!

We ate outside, he swam every day, he fished, he rode his scooter nearly every day, we watched the wildlife on the lake. We are so thankful for this opportunity. Such a blessing!!!

Thank you so much!”
-Alanna Moore, Rylan’s mom

Lee, age 17, is diagnosed with low-functioning autism. Lee’s Dream is to see Disney World and his favorite characters, Mickey Mouse, Harry Potter, and Spiderman. After spending 3 years in foster-care he has finally found a permanent home. Lee has been through a lot, but is looking forward to the future and meeting Mickey is at the top of his list!

The Sunshine Foundation is very grateful for the donation we received from the successful fundraising event at the 8th Annual Tricky Tray for the Sunshine Foundation. We want to say an extra “Thank You” to Dana Balint Smith and Patrick Smith for all their continued support to the Sunshine Foundation over the years, and for helping make Lee’s Dream Come True!
Christian, diagnosed with Down syndrome, dreamed of going to Disney but due to Covid-19, changed his request to an above ground swimming pool. Thanks to Glory Days Grill, Christian can enjoy his dream in his own backyard!

“Christian is enjoying his new pool that you all have made possible for him to have! With Covid being a part of our lives now and Christian being so high risk, we are limited on what we can do. This pool has been such a lifesaver! He does not like exercise whatsoever, but he absolutely loves water, so this pool will help get him more active. Thank you everyone!” - Christian’s Mom
